

Research shows that:

Reading Books & Sharing Stories with your child

is one of the BEST ways to help them enter school with the language skills they need to be ready to learn and grow.

1,000 BOOKS
before kindergarten

Here's how to participate:

- Pick up your reading log in the children's department at the Bradley Public Library.
- Write down all of the books that your child reads or that you read to your child. Remember to include stories that your child hears at library storytimes, in preschool and daycare; stories of faith and religion – any and all books and stories count!
- When you fill out 100 books, bring back the completed log into the library and we'll give you another one.
- If you read just 4 books a week, your child will have read 1,000 books in five years!

Have your child select books
that appeal to their interests.

Children often enjoy the same book or
story multiple times. Be sure to count all times
you've read the story.
